

GOING *GLOCAL*

Integrating God's
global agenda into
the existing fabric of
your church

The word '*GLOCAL*'
combines the words
'*GLOBAL*' and '*LOCAL*'
to create an idea that
balances local
evangelization with our
global missions emphasis
to provide strength to
both.

For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea.

Habakkuk 2:14

Going Glocal Workshops ...

is a long-term mentoring strategy which consists of coaching 4-6 sessions (3-4 hours each) over two years.

Through these workshops,
participants will:

- * gain a greater understanding of God's glocal agenda
- * evaluate the way missions is presently being done in your church
- * create and cast the vision for missions
- * realize the need to educate the whole church regarding missions
- * be provided with helpful resources

How beautiful on the mountains are the feet of those who bring good news of peace and salvation, the news that the God of Israel reigns!

Isaiah 52:7

Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit.

Matthew 28:19

All the nations - and you made each one - will come and bow before you, Lord; they will praise your great and holy name.

Psalms 86:7

What participants are saying about the "Going Glocal" workshops

I'm excited about the networking, resourcing and help that the "Going Glocal" workshops are providing for our missions team.

Not only do we get quality instruction but also the chance to interact with other missions teams from other churches to find out what's working for them in the promotion and propagation of God's global agenda. Thanks for spearheading this initiative.
